If you don't have a positive
attitude in
business
and in life,
you will never be successful.

The difference between a
successful person

of strength, but a lack of
knowledge, but rather a lack of will.

If you focus on growth,
you will get results.

05

If you do not know
how to save for money,
money will stay from you.

07

If you want to succeed,
you should strike out on new paths,
rather than travel
the worn paths of
accepted success.
